### Free Address

Do a FREE registration with ShipToBox and we will provide you with a TAX FREE unique USA address

### Online Stores

You buy from USA online stores and use your unique USA address that we provided to you. Or let us buy for you if any store doesn't accept your credit card.

### Order Receiving

We receive your items and consolidate into one package. And process your order to deliver you.

### Ship For You

After your confirmation we directly ship to your country. You can use our Buy For Me Plus service (For specific countries) in case you want your items at your doorstep.

# WHY CUSTOMERS SHOULD CHOOSE US?

## Using AI for Personalized and Improved Shopping Experience

We can understand customer needs and buying behavior through our AI (Artificial Intelligence) system. We provide different personalized offers and recommendations from various US stores that is applicable for our customers according to their searching and buying behavior. Such improved usability and personalization, where the exacting requirements of today's consumers are also satisfied, strengthen customer retention and increase sales in the long term.

## Real-Time Customer Experience through Visual Shopping

Visual shopping is letting your customers' see what they want to buy through live streaming. Customers' shopping experiences can be improved by visual shopping, which can also serve as a powerful marketing tool for the company and boost consumer loyalty. We can show customers live what they want to buy.

## Unlimited Shopping & Shipping Experience

We shop for you, ship to you, and take care of all We can handle everything in shipping services, starting from warehouse storage service, order split, congregation, repackaging, redirecting to final destinations, insurance docs, and customs papers.

## Global Strategic Partners

We have maintained a long-term partnership with FedEx, DHL, EMS, United States Postal Service and Aramex. They are all available on our website waiting for you to pick.

## Big Warehouse Storage

We do not have any limit to the warehouse's size! You can use it as per your requirement. You can use our warehouse to manage a unit as small as a shoe box or as big as a 40-foot container, perhaps even more!

## We Support Customers who doesn't Have Acceptable Credit Card

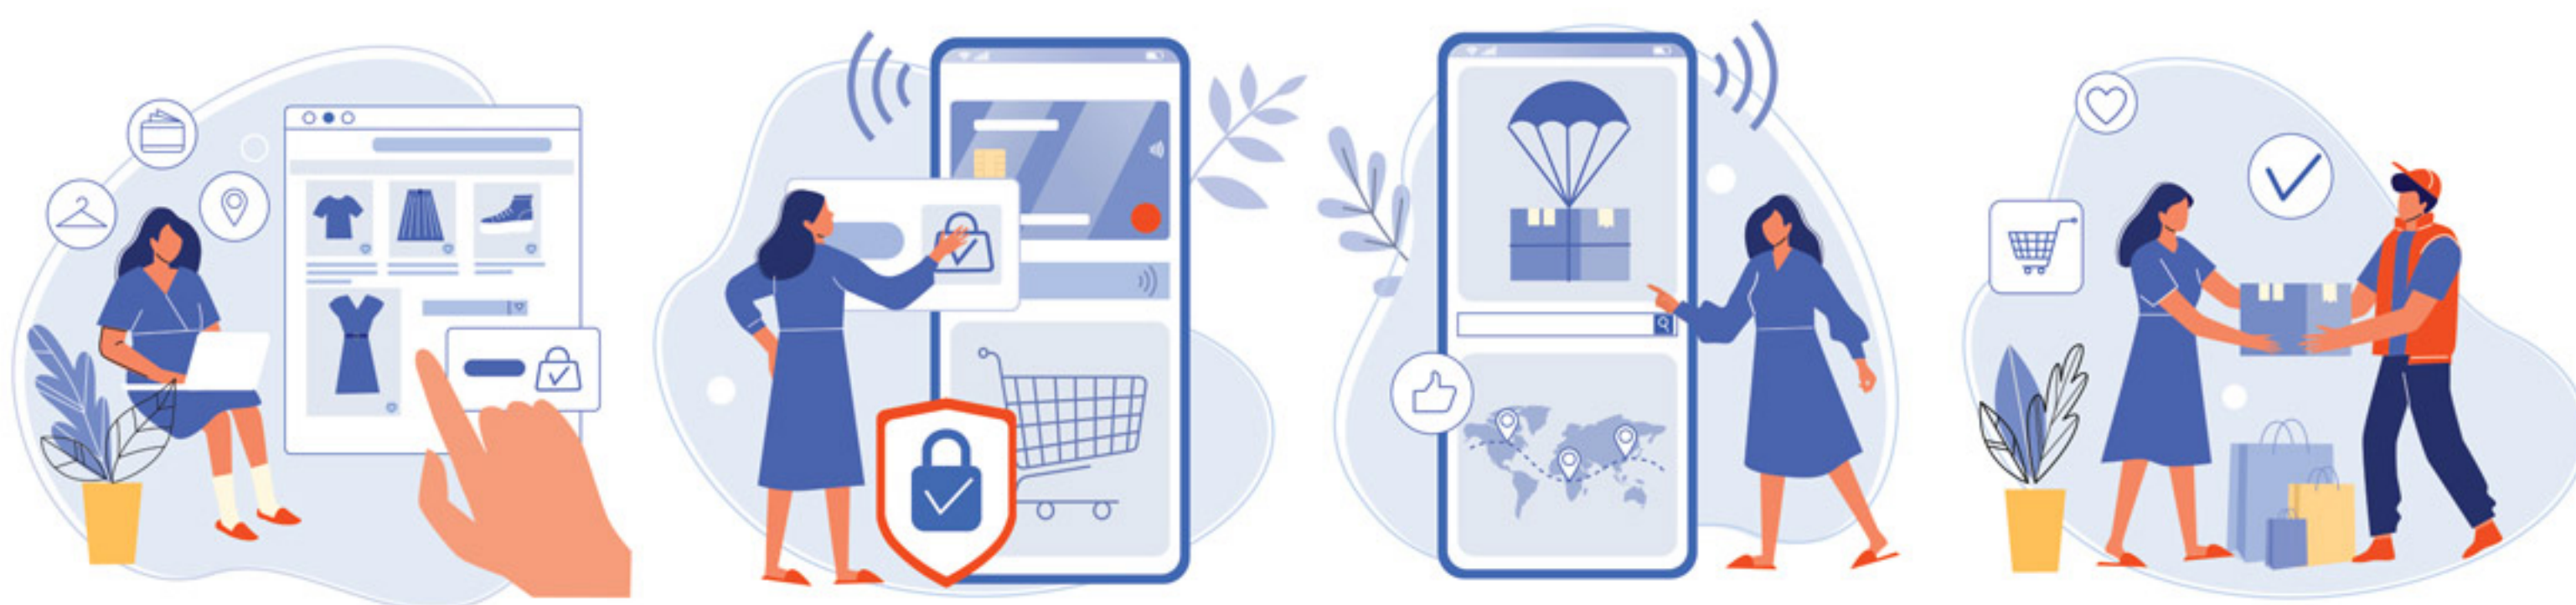

Some of our customers do online shopping at Amazon, Walmart, Costco, etc., but they do not have acceptable credit cards at the retailer. In addition, these customers do not have a US address to accept the online retailers' delivery. No problem. We have covered everything you need.

## Dedicated Customer Service

Our online service is supported with live customer service via phone, and social media messaging through English and Arabic languages.
